**A Global Strategy Against Corruption 2021-2030**

**1. Protect the Public's Resources**
- Strengthening the public sector and reducing public sector bribery, theft, and abuse of power.
- Ensuring that public resources are managed for the common good, not for私人 gain.

**2. Secure Integrity in Politics**
- Creating an enabling environment for the rule of law, good governance, and political accountability.
- Ensuring that leaders are held to account for their actions.

**3. Secure Integrity in Schools & Media**
- Promoting transparency and accountability in education and media sectors.
- Ensuring that these sectors serve the public interest and are not used for private gain.

**4. Strengthen the Role of Civil Society**
- Empowering civil society to demand, monitor, and promote integrity.
- Ensuring that civil society is free to operate and has a voice in shaping policies.

**5. Pursue Enforcement and Justice**
- Ensuring that laws are enforced and that those who violate these laws are punished.
- Promoting a culture of legal accountability and justice.

**6. Expand Civic Space for Accountability**
- Ensuring that citizens have access to information, participate in decision-making, and have a voice in shaping policies.
- Guaranteeing that civic space is not constrained by power or influence.

**7. Build Community Leadership Against Corruption**
- Promoting integrity and anti-corruption values in communities.
- Ensuring that community leaders model integrity and anti-corruption values.

**JOIN THE FIGHT AGAINST CORRUPTION**
