TECHNICAL ASSISTANCE TO THE LOMBARDY REGION

RELEVANCE

**SECTOR**

EDUCATION / TRAINING / EMPLOYMENT

**PROCUREMENT**

Technical support for local administration in the use of European Social Fund for Axes "Employment" and "Education and Training"

**EXPECTED # OF BENEFICIARIES**

133,700 unemployed people, women and young people

143,800 people that hold a diploma or work (and need to be trained)

**KEY STATS**

44% of the budget for trainings in Italy and seven other European Union countries was lost to corruption in 2013

**MAIN RECOMMENDATIONS**

- Asked for more clarification on the roles of the contractor's employees and on their timesheets, in order to have a better understanding of the time they worked on the project.

**MONITORING REPORTS**

 factories
