

GENERAL INFORMATION

Title of Consultancy: IATI Data validation and input

Application Closing Date: 22nd October 2021

Consultancy Start and End Date: 8th November to 30th December 2021

Location of Consultancy: Remote

BACKGROUND

Transparency International (TI) is the global civil society organisation leading the fight against corruption. Through more than 100 chapters worldwide and an international secretariat in Berlin, Germany, TI raises awareness of the damaging effects of corruption and works with partners in government, business, and civil society to develop and implement effective measures to tackle it.

The Transparency International Secretariat (TI-S) in Berlin is seeking a consultant to provide data input into and data cleansing of our IATI platform in line with IATI data standards.

OBJECTIVES

Transparency International Secretariat (TI-S) is compliant with IATI data standards for all significant activities. The overall objective of this consultancy is to update and input TI-S' current data in IATI by reviewing all major grant contracts coordinated by TI-S and develop a data management plan for TI-S to upload future data points into IATI registry in a sustainable and feasible manner.

EXPECTED DELIVERABLES AND TIMELINE

1. Upload key data points into IATI registry in line with IATI standards based on review of all major grant contracts, donor reports and financial records for the following key data points:
 - a. Funding Organisations (donors)
 - b. Recipient Regions (project partners)
 - c. Expected and achieved Project Outcomes
 - d. Expected and realised Project Outputs
 - e. Budgeted and actual expenditure
 - f. Key contractual terms (including length of project and project status)
2. Develop a data management plan for the upload of all key data points into the IATI registry, preferably via [Aidstream](#), to be maintained by TI-S.

The services will need to be performed by 30 December 2021.

A detailed calendar, including time for review of data points and associated calculations prior to submission onto IATI, will be developed during the inception stage

SELECTION CRITERIA

The Consultant should have the following skills and experience:

- A keen understanding of IATI and OECD DAC data standards
- Experience with Aidstream or/and competence in XML code
- Experience working in or with international NGOs, preferably in the anti-corruption field

- An analytical mindset and excellent attention to detail

REMUNERATION AND COSTS

The Consultants should provide their estimated total fee as a lump sum or as standard daily or hourly rates. Maximum fee should be 4,200 EUR. This should be net of VAT as charged in the European Union and inclusive of any other local tax.

For consultants who are based in Germany and do not charge German VAT must confirm their small entrepreneur status.
